

Office of Human Resources
City of Springfield, Illinois

Misty Buscher, Mayor
Debbie Thompson, Interim Director

CITY OF SPRINGFIELD
is seeking applicants for

ENGINEERS

The Office of Public Utilities, Electric Division is seeking individuals to perform entry-level engineering tasks and provide technical assistance for Transmission and Distribution as well as Generation projects and facilities. These individuals will also perform basic engineering tasks in other disciplines; Mechanical, Civil and Chemical. This position requires knowledge, skill and mental ability equivalent to the completion of a Bachelor's Degree in engineering from a four (4) year ABET (Accreditation Board of Engineering and Technology) accredited college and eligibility for the Engineering Training exam in the State of Illinois with participation in an extensive engineering training program. A valid Class D driver's license is also required. **Current employees (where applicable) and persons hired or rehired after 1-1-17 shall maintain their bona fide residence within the corporate limits of the City of Springfield during all periods of service. Newly hired or rehired employees have 12 months from date of hire to establish city residency.**

This position is covered by IBEW Local #193

Salary commensurate with qualifications and experience
