Nikki L. Baker, Director

CITY OF SPRINGFIELD
is seeking applicants for

MAINTENANCE SUPERVISOR

The Office of Public Utilities, Electric Transmission and Distribution Division is seeking an individual to oversee crews that install and maintain protective relays and associated control equipment and circuitry. Respond to substation emergency situations involving relay and substation equipment and then appraise the damage or evaluate the situation and coordinate, organize, and supervise the repair. May function as a Maintenance Supervisor of the Substation Department in his/her absence. Subject to after hour on-call status for response to emergency related issues. This position requires knowledge, skill, and mental development equivalent to completion of high school and six years of progressively responsible experience in installation and maintenance of protective relay and electrical substation equipment for the utility industry including two years supervisory experience. A minimum of eight years of experience in installation and maintenance of protective relaying and electrical substation equipment for the utility industry is preferred. A valid Class D Illinois driver's license is required. **Current employees (where applicable) and persons hired or rehired after 1-1-17 shall maintain their bona fide residence within the corporate limits of the City of Springfield during all periods of service. Newly hired or rehired employees have 12 months from date of hire to establish city residency.**

MINIMUM STARTING RATE: \$6,286.01 MONTHLY
Salary commensurate with qualifications and experience
